

**Judy Harrison Barry,
Allegro Board Member 2004-2011**

Allegro mourns the passing of one of our greatest advocates, Board Member Judy Harrison Barry. Despite battling cancer for many years, Mrs. Barry remained incredibly hands-on with Allegro's students with disabilities, as shown here with long-time Allegro student Angel Paez.

Judy's dedication was fundamental to Allegro's 21 years of continued growth, and her vast experience in non-profit guidance cemented a strong organizational structure for decades to come. Judy Harrison Barry's legacy is readily seen in the smiles of Allegro's children with disabilities and by the continuation of our thriving organization.

God Bless you, Judy!
Love, the Children of Allegro
